

Dear Parents and Children

This Year, as part of our harvest celebrations, we would like to support a local charity with gifts of produce collected by our school community.

The People's Pantry was established in March 2018, to fight food poverty and reduce and recycle food waste in Market Weighton, Pocklington and the surrounding areas of the East Riding of Yorkshire.

Their aim is to help support local individuals and families who are struggling to put food on their table and, at the same time, reduce the amount of surplus food going to waste.

They accept donations all year round, but we would like to support them at this time.

If you are able to bring a small donation into school, these are the items they really need to support in our local area.

Please send any kind donations to school with your children, we will have baskets for collection.

We thank you in anticipation of your generosity.

St Mary & St Joseph Junior Chaplains
